SHRI SAI DIVYA POOJA (VRAT) STORIES:

Adhyay (Chapter) 1

Lord Baba Helped Keep A Breaking Family Intact And Blessed The Family With A Baby Boy

One day I came from office picked my child from daycare and came home. My neighbouring lady came and said, "Sister can I talk to you please". She looked sad. I felt bad for her. I said, "Sure come in and sit. What happened?" Why do you look sad do tell

me, with Lord Baba's grace I will help you as much as I can.”

"Sister what do I say I am leaving the house and going away I am really in bad situation." She said. I did not know what to say. I felt it was a big mistake. I gave my little boy something to eat and set the tea to boil, then I went near her and asked what happened. She said, "I am leaving my house and going to my parents place. I cannot take it anymore, I have a hole in my heart and cannot take stress."

I told her to tell what happened in detail. I was worried and felt her decision was wrong since she had a three year old girl and was pregnant too.

She said, "The doctor took scan of the baby and said it is a girl, everybody in the house wants a boy and they keep saying bad things to me. On one side my husband is stressed since his business is not doing well. I cannot take all this any more."

I said, "Will you listen to me?" "I will do whatever you want me to do sister” she replied.

Then I told her today is Wednesday. Take a small handkerchief preferably a new one and dip it in turmeric water and dry it. Tomorrow morning put ONE rupee coin in it sit in front of Lord Baba and tell your wish, tie it and keep it in the shrine. Then pray to Lord Baba with Ashtotra Namavali, flowers, dhoop and lamp. Offer Kichidi as naivaidya. She said I will do exactly as you say and went home quiet happy.

The next day evening I went to call her. She said I will come to your house in a few minutes. After a few minutes she came home and explained, Lord Baba answered my prayers, He did a miracle, Today again my mother-in-law took me to the doctor. The doctor did another scan but could not read it properly after a while the electricity in the clinic went off. So he doctor took me and my mother-in-law to the hospital and read the scan and informed us that the last scan was wrong and that I am going to have a boy. Everybody in the house is very happy and so am I.”

Later they had a healthy boy and lived happily with the two kids, her husband's business improved, they made good money and even brought a car.

Lord Baba Helps To Get Rid Of Alcoholism

Shakuntala Bai was working at my house as a servant maid. She worked in 2-3 other houses and was good natured. She had an 18 year old daughter, who worked with Shakuntala in some of the houses. Her husband was an alcoholic. He was good electrician but never worked. He never worked and took her money and spent it on alcohol.

She always saw me pray to Lord Baba and one day she told all her problems to me and asked me to suggest some puja. I said on Sunday we have Sai Bhajan and Puja at our house, bring him, let him take the Prasad and vibhuti. She did as I suggested.

Soon her husband not only quit drinking, he even started working and gave his salary to Shakuntala. He saved money for their daughter's wedding. The next year only they got their daughter married to a nice boy. Now Shakuntala is a great devotee of Lord Baba.

Got Results On The Very First Thursday Two Times

I am Sandhya Yadav and run a hostel in Indore. My father is a great devotee of Sri Sai Baba. My sister lives in Badhnagar a town close to Indore. She also is a devotee of Sri Sai Baba. One day she phoned me and said, "Akka, in Indore in Anup Nagar, Srimathi K. Padmavathi lives. In her house today they are having Baba Darbar. So please get some books of Shri Sai Divya Pooja from there and send them to me"

I went to Srimathi K. Padmavathi's house and attended Baba Darbar. I took some books for Shri Sai Divya pooja. I send some copies to my little sister living in Badnagar. I kept a copy for myself. I vowed to do the puja for 5 weeks and did it with a lot of devotion. Every week I would go to Sai Darbar at Anup Nagar.

I got results in the first week itself. My husband had to receive some money that he could not get for a long time. The first week of my puja he recovered his money without any effort. I was very happy to get the result in the first Thursday of the pooja itself.

My younger daughter Esha studies at Maharashtra. One day at 8:00 pm she called me and was very tensed. She said the results are coming tomorrow and only 17 % passed.

She asked me to pray for her. I assured her that I will pray for her. That day was the Wednesday. Next day was Thursday and it was the 5th Thursday fo the divya pooja. I took a vow that I will do Divya pooja again for 5 weeks and that Lord Baba should bless my daughter with good results. That day in the afternoon at 4 pm Esha called happily saying she passed. I was very happy and did the puja for 5 weeks. I am very grateful to Sri Sai baba for fulfilling my wishes on the first Thursday of the puja two times.

Adhyay (Chapter) 4

By Lord Sai Baba's Grace The Devotee Bought A House

I am Vandana Rao. We live in Balaganj Mandsoor. We live in a rented house. Like everyone else I wanted to buy a house of my own. I wanted to buy the house we had rented.

In Mansoor in Forest Colony, there is Shri Sai Baba Mandir. I go often to that Mandir. There I met a baktha called Sri Anil Tiwari. While discussing other things I mentioned that our financial state was not that good and I could not buy an own house. He gave me a small idol of Lord Baba that he got from Shirdi. He also gave me Shri Sai Divya Pooja (Vrat) book and said, "If I pray in the way they described in the book Lord Sai Baba will surely fulfill my wish. Immediately I vowed to do the puja for 7 Thursdays.

After 2-3 weeks I met Tiwariji at the temple again. He asked me, "Did you start the Divya Pooja (Vrat)?"

I said, "Yes but my wish does not seem like it is being fulfilled". He asked me, "Are you doing it just as described in the book?"

I said yes except I am not reading the Ashtotram. He said, "You need to do the Ashtotram with flowers. Then Lord Baba will surely fulfill your wishes.

As he said, "I began again and did 7 weeks Pooja with devotion. By the seventh week all our circumstances were good, we got the money we needed and we bought the house we were living in.
